Pony Paul is the best, the quirkiest and hungriest pony of all, that's at least what Hanna thinks. And after all Paul is her pony. Together they live at the most beautiful pony farm Summer Liliac. This time all ponies on the farm are supposed to be part of the town's annual summer parade. During the rehearsal Paul really starts acting out – he is petulant, doesn't listen to the commands and nibbles on the costumes. Hanna's riding instructor finally decides to take Paul out of the parade. Now Hanna has to act quickly and find out what it is that upsets Paul so. When she realizes that Paul just wants to be in the parade next to Julia's pony Nino the day seems to be saved, but now Hanna has to smuggle Paul back into the parade to convince the riding instructor....
