Julia goes on a field trip with her class. Actually a great thing, if it weren't for Tom. He is impossible. When they get lost together in the forest, Julia realizes that maybe they can become friends after all. Taja, on the other hand, isn't enthusiastic about the excursion to the playground. How boring. Until Chris explains to her that it's up to her to turn the dull outing into a fun outing. And it works! Feli has a completely different problem: she is new in class and very shy. She doesn't dare talk to the others. Then, on a trip to the zoo, she discovers a little donkey who is just as shy. Can she get him to come out of his stall?
