### **He wants to escape his inheritance. She wants to find hers.**

Horse racing at Ascot, studying at Cambridge, Formula 1 in Monaco: Aleksander Skogen leads a life of luxury. Until he has to go into hiding for a while after the release of a scandalous video. He is therefore forced to take part in a trekking tour through the wilderness of Norway. It is led by Norah, whose life is pretty much the complete opposite of Sanders. What happens when the two collide? Can they withstand the force of the impact or will their worlds, so different from each other, be shaken to the core?

### **Experience unforgettable heart-stopping moments in Norway**

In her incomparable feel-good style, **SPIEGEL bestselling author Carolin Wahl** links the obligations and perks of **high-society life** with the big questions in her **new new-adult trilogy, *Crumbling Hearts***, about the **Norwegian** cookie empire KOSGEN: **What is family?** And how can **luxury** and **love** be reconciled? A heartwarming **slow-burn romance** with lots of **nature in Norway, high-society glamour, spice and great love.**
