Little Paul vanished without a trace! Paul relaxes on the grassland and acts as if nothing has happened. But just a few minutes ago Paul had disappeared. Hanna had looked for him everywhere, but no chance! This was not the first time though and also Paul doesn't want to eat the tasty apples anymore. To find out what's going on, Hanna decides to follow him the next time he sneaks out of the stable and makes an interesting observation: Paul goes to the circus which is near the stables to learn some tricks and for every trick he gets a treat. No wonder that he doesn't like the apples anymore...
