### **Did you know that there's magic on the green island?**

Ruby Fairygale lives with her grandma on a small stormy island near the coast of Ireland, where they look after animals. But life can be lonely, when you don't have someone your age to spend time with. Ruby is also different from the others on the island – she and Nana have a big secret: they know about the magical mythical creatures on the island and they help them whenever they are ill.

One day, the mysterious and socially awkward Noah and his supervisor turn up and Nana and Ruby have to protect their secret of the mythical creatures.

## Kira Gembri

Kira Gembri was born in Vienna in 1990. She remained loyal to this beautiful city after completing her degree in literature. She shares her love of books with her two children who firmly believe in fairytales. Mythical creatures don't live with her by the way – but she does have a cat who was definitely a goblin in his former life.
