### The Ghost Hunters Are Back!

All hell is breaking loose in the Seafront Hotel: nasty fire ghosts are playing havoc with the air conditioning and scaring the guests. The hotel needs help, and fast! Ghost hunters Tom, Hetty Hyssop and Hugo the ASG (Averagely Spooky Ghost) are on the spot immediately, and they try everything they can think of to tackle the fiery phantoms. But this time, their plans threaten to go up in smoke!

This new edition of Cornelia Funke's long time bestseller is perfect for reading aloud and for independent readers aged eight and above. Frédéric Bertrand's colourful, modern illustrations complement the humour of the series brilliantly.
