176 Pages, 15.3 cm x 21.5 cm

ISBN: 978-3-7432-0658-8

Hardcover

The Enchanted Book Castle opens its doors again

Becky Librum moves to an old dilapidated castle with her father and her chipmunk Lotti. There she discovers a secret children's library with her new friend Hugo and his dog Watson. Becky is chosen alone to save the books before they turn to dust forever. A magical series with classic potential and a tribute to imagination and reading.

What happens in Volume 3:

Becky and Hugo have found the enchanted key to the magical world. But before they can begin their journey there, the magical creatures from the library prepare the children for their adventure. Genoveva shows Becky how the map of the magical world hidden in the Book of Books reveals itself to her. In addition, an ancient prophecy appears in Glimmeria's crystal ball, but what do all these letters mean? That can only be found out in the magical world.

Becky reads herself, Hugo and her animals into the infinitely large book world, which turns out to be full of the wonderful, the wondrous and lots of the fantastic. Becky sneaks into the evil queen's castle and finds out what the ancient prophecy is all about: The queen isn't evil at all, just terribly lonely, since no one seems to care about her and her story. Becky and her friends read their way back to Rosenbolt Castle and take the queen with them. In the children's library, Becky writes the queen her very own story, which is just waiting to be read and experienced by children.

Barbara Rose

Barbara Rose is an author of books for children and young people and a journalist. For over ten years, she made up stories for television and presented programmes for children and young people on the radio. She now works as a freelance author and can do what she enjoys most: writing books and reading them aloud. She lives near Stuttgart with her husband and four children.
