Mustangs roam the prairie and experience many adventures, are brave and fearless - except for Luna. But then the young mare learns that she has a special gift. Will she overcome her fears and follow her destiny? Luna lives with her herd in the barren Nevada desert. She would like to be as brave as the other horses, but fear always wins out in tricky situations. Then she finds out that she has a special gift: she is a moon whisperer!

Moon Whisperer! Luna asks the moon for help, because she doesn't want to be afraid any longer. And indeed a new constellation appears in the sky - a proud horse with a brave look! This can only be the new stallion Neo, who has joined the herd. Or is it perhaps another horse that the stars are referring to?
