What happens in Volume 7:

Tim and his friends are going to the European Championship in France in their motor home. The Ace Striker has also traveled there with the Italian national team. In his luggage, Sergio Mavalli has his lucky charm Toto, a cheese made of cloth. Without him, Sergio can't score goals at tournaments. When Toto and the mascots of other players are suddenly stolen, the whole tournament is in danger! No one is lucky anymore...

Tim's concentrated coaching knowledge is needed! He must give the star players self-confidence and at the same time chase after the thieves. The thieves turn out to be Sergio's old kicker cronies: they wanted to use the thefts to annoy the professional soccer players, who only seem to care about money. Due to Tim's tracings, the situation is being resolved. Everyone gets their mascots back, the tournament can continue!

Ocke Bandixen

Ocke Bandixen has been telling stories for as long as he can remember. Born in 1970 in North Frisia, he studied literature and now works as a radio journalist. He lives in Hamburg with his large family and reads to his younger children every evening. By the way, he's not particularly good at playing soccer—that's what the wonder striker is for!
