Whoever has a pony in their garden? No-one, in fact. But one day there is Klara's pony Crumbs standing on the terrace eating the flowers. Has he bolted? When Crumbs then starts fooling around during the riding lesson, Klara is in despair. Whatever has got into her pony? She's determined to find out! Something's always going on at the Cavallo Stables! It's not only Lou and Liquorice who have a lot of fun here, but all their friends from the riding group. And when Klara gallops off on her cheeky pony Crumbs, the first adventures are about to start ...
