Two titles in one! The building site is a hive of activity! Here people are digging, shifting heavy loads, hammering - and searching. Searching for the little excavator that has vanished in all this confusion. So, where is the little excavator?

Together in one book with: There are lots of things to see at this castle! There are knights, castle ghosts, sword fights and even dragons! But the best of all are the suits of armour - and the magnificent red helmet is especially beautiful. But where is it hidden in all this chaos?
