What no one knew until now: Tim keeps a diary in which he tells of his almost normal life with school, annoying siblings and, of course, his soccer friend, the wonder striker. Above all, he notes down his ultimate coaching tricks.

What happens in Volume 3:

Normally, Fortuna Ludwigsbrück is the most feared opponent of Tim's team from Hegenwald. But now the Ludwigsbrückers have already lost six games in a row. If it continues like this, it won't even be any fun to play against them. That's why Tim is sending Sergio Mavalli over to the neighboring village as coach - he's supposed to turn up the heat with the tired kickers.

- Innovative 90:10 text-image ratio

Ocke Bandixen has been telling stories for as long as he can remember. Born in 1970 in North Frisia, he studied literature and now works as a radio journalist. He lives in Hamburg with his large family and reads to his younger children every

evening. By the way, he's not particularly good at playing soccer—that's what the wonder striker is for!
