10 Little Sheep

- Funny text by bestselling author Franziska Gehm
- Witty and new concept of the “10 Little” books
- A wonderful illustrated board book to learn the first numbers and colours

Splash! One little yellow sheep jumps into the muddy puddle. The little red one joins in and together the two sheep go for a picnic. When the little green sheep arrives they all sit together and start singing songs ...

A funny board book helps to learn the different colours as well as to count from 1 to 10. Cheerful rhymes make this book great fun for parents and children alike.
