Cuddle up and dream away!

Evening is approaching, dusk is slowly setting in - and the little mouse is already tired. But before it snuggles into its warm little root house and closes its eyes, it looks after its friends. I wonder what they're doing? The little mouse wishes them all a good night and then quickly scurries off to its cozy nest. Sweet dreams, little tired mouse!

- Atmospheric rhymes convey **peace and security**
- **Enchanting illustrations** invite you to dream
- The ideal companion for **night-time routines**
