### Interactive children's mystery with coastal feeling - Investigate together with the Coast Crew

*On the rugged North Sea coast, just behind the dike, lies the sleepy little village of Breeksiel. Apart from a few tourists and seagulls, hardly anyone strays there. But appearances are deceptive: the sea washes great secrets, old legends and real crooks into the small coastal town. Solve exciting cases together with Jan, Rocco and Nele and help the three hobby detectives in their investigations!*

Great excitement in Breeksiel: a series of burglaries keeps the small village on its toes. The thieves are after antique tile paintings, but they only steal individual parts of the valuable works of art. At the same time, Jan, Rocco and Nele discover mysterious messages with the words *Spider* - SOS in the pepper mills sold in Jan's parents' gift store. They follow the trail to a wholesaler who has recently entered into a deal with shady businessmen from Holland. When these guys also show up in Breeksiel, the case becomes more and more exciting, because suddenly the police arrest a good friend of the Coast Crew and accuse him of animal smuggling. Jan, Rocco and Nele have to take the investigation into their own hands! The clues eventually lead to an event, where it comes to a big showdown: with a trick, the kids are able to convict the two crooks. The burglaries turn out to be false leads and the rotten guys are put out of business thanks to the Coast Crew!

### Ocke Bandixen

Ocke Bandixen has been telling stories for as long as he can remember. Born in 1970 in North Frisia, he studied literature and now works as a radio journalist. He lives in Hamburg with his large family and reads to his younger children every evening. By the way, he's not particularly good at playing soccer—that's what the wonder striker is for!
