The Picture Mouse Concept:

- Nouns replaced by pictures
- For reading **aloud** and reading **together**
- Extra-large primer font

The Picture Mouse series features fun stories about lovable characters and exciting settings. All the nouns in the text are replaced by little pictures, which children aged 5+ will be able to recognise and name whilst having the book read aloud to them or reading along with an adult. It's a great way of getting young children to read their first whole book all by themselves!

Jakob discovers a housebreaking next door and immediately alarms the police. Thanks to his help, the thief will soon be arrested.
