Lola gets going again! An interview with a fairy? No problem for Lola! Certainly not at night when she turns into a famous reporter. Then of course she and her friend Flo obviously have to write the lead article for the school newspaper. But the two find out that in reality it's not at all easy to find an exciting topic. Lola spontaneously decides to write a report about the seizing of the dangerous water pistol bandit who's been plaguing the town for weeks. But to do this, she's got to catch him first... The second volume of the series contains another thrilling and very funny story about the turbulent and exciting everyday life of her attractive heroine Lola.

- A bestseller for more than 10 years
- Over 2 million copies sold!
- Best known German girl character for the 9+ age group
- Issues such as family, friendship and empathy
- Successful movie of volume 1
