Hardcover

### Loewe's Nature Child - Good! By guarantee

- Top topic: **Body**
- Told in a way that is suitable for children
- **Wittily illustrated**
- Conveys **values** and exciting **factual knowledge**

Every person is unique: some people are thin, others a little thicker, some can sing well, others are totally athletic. This board book for children from 3 years on is about the body and everything that goes with it: emotions, body feeling, social competence, empathy. In this way, even the smallest ones are gently taught an appreciative togetherness and an awareness for their own self.
