The forest can be scary...

... but not for Fenno! He shows what he's made of: during his first thunderstorm, rescuing a friend or on his first night outside the foxhole. Pretty brave, the little fox!

In the *Picture Mouse* series, exciting stories tell of the **adventures of a lovable character** or an **exciting location**. In the text, all **nouns are replaced by small pictures** that **children from the age of 5** can recognise and name when **reading (aloud) together**. In this way, children are gently introduced to the process of reading and have already "read" their first book before they start school!

- Pictures replace nouns
- For reading aloud and reading along
- Large, easy-to-read font
