Festive Chaos, Troll Style!

All Rübli the troll wants is to become a Christmas elf. And as luck would have it, he suddenly finds himself in the elves' village. They're less than thrilled by his arrival – but who wants to anger a troll just before the holidays? So, his wish is granted, and Rübli is sent to the human world. There, he's assigned to a grumpy old man named Jan Jansson – who hates Christmas just as much as trolls usually do. Determined to spread cheer, Rübli gets to work in his own... creative way: hanging honey-glued paper stars, writing cryptic notes, and leaving very strange surprises. Let's just say: a Christmas troll is exactly what Jan Jansson didn't ask for – and maybe exactly what he needed.
