### **10 Little Lambs!**

- The ideal bedtime storybook before falling asleep
- A new volume featuring these well-loved little lambs
- Combines the important subject of 'going to sleep' with 1 to 10 counting rhymes.

When evening falls even the cheekiest lambs grow tired.

Their eyes close while they are playing. Three, two, one, another one's asleep! Right up until the last one has nodded off and taken this little reader with him into the realm of dreams...

The funny rhyming verses and witty illustrations work well together to cover two equally important subjects – learning numbers and going to bed.
