What no one knew until now: Tim keeps a diary in which he tells of his almost normal life with school, annoying siblings and, of course, his soccer friend, the wonder striker. Above all, he notes down his ultimate coaching tricks.

What happens in **Volume 2**:

Again, Tim's team has an important game coming up. This time it's against the pipes from Pfeffersdorf, who have a dangerous player in midfield. Luis, the left-footer. Tim immediately writes down a new tactic in his coach's diary: "We play on the outside - high balls directly in front of the goal." But when he and his eleven friends arrive for training, all the training balls have disappeared. How should they now prepare for Saturday's game?
