What happens in Volume 3:

Tim is on holiday with his family and together with his new holiday friends he trains every afternoon! But suddenly coaches from all around the world turn up and ask Tim for help. How do they know where he's staying anyway? Has it something to do with the micro chip in his whistle?

Ocke Bandixen

Ocke Bandixen has been telling stories for as long as he can remember. Born in 1970 in North Frisia, he studied literature and now works as a radio journalist. He lives in Hamburg with his large family and reads to his younger children every evening. By the way, he's not particularly good at playing soccer—that's what the wonder striker is for!
