While the whole of Delhi is busy preparing for Diwali, the festival of lights, a shop in the jewel bazaar of the old town is robbed. The two friends Arun and Ravi set off in pursuit of the thieves. Soon it becomes clear that this crime was only the beginning ... In every "Global Mysteries" title, young detectives have to solve a crime. With the help of the reader, they look for clues - at the end of each chapter there's a tricky puzzle which will bring them nearer to solving the case. Characters and plot convey information about the country in which the book is set. An appendix provides further knowledge about geography and society.
