Alva is in no rush to experience her first time with a boy. She wants to wait for the first real love. But when one spends an entire weekend at a lake, without parents, only with the best friend and two very good-looking guys - well, an exception is in order then, isn't it? It's not every day that there are so many tanned beach volleyball players and attractive kayak fans directly under one's nose. But whether the shy Simon, adventurous Ralf or a Neptune in disguise will win Alva's heart knows only the reader. It is up to her to decide who will do what with whom! Making out with Fabian? Dancing with Jaro? Or rather swimming with Jasper? Everything is possible in our new series for girls aged 13+. When Frankziska Gehm writes with lots of humour about the chaotic love lives of her female protagonists, nobody knows yet how the story is going to end. Only one will determine who is going to experience what with whom - and that's the reader herself!
