### **Kicking Off Adventure in the Desert!**

Life in the savannah can be really dangerous – as little pangolin Pango finds out the hard way! To escape the claws of King Kofi, he curls up into a ball and rolls away at top speed. It's so much fun that Tafiti and Pinsel get an idea: what if they all played soccer? The three friends are thrilled. But just then, none other than King Kofi shows up and wants to join in. To keep the peace, they decide to form two teams: Tafiti's team with Pinsel, Pix and Pax, and Kukukifuku – and King Kofi's team, made up entirely of predators. But there's one condition: if King Kofi's team loses, none of the predators are allowed to hunt for three whole days! Let the match begin...
