Devils don't have it easy either!

- A **hilarious comic-style** series with a **fantastic hook**
- The perfect combination of a **school topic and devilish fun!**
- **Humorous black-and-white illustrations** on every double-page
- With plenty of uproarious details and screamingly **funny gags**
- **Fiendish fun** for boys, girls, and adults

Lucifer Junior is the Devil's son. He lives in Hell, and will one day take over the "family business". But his father still thinks Junior is far too nice for the job, and sends him off to spend some time in the land of the living at the boarding school St. Fidibus on Earth – after all, where better to learn how to be nasty than among human beings?

What happens in **Volume 7**:

Grandma takes Lucifer junior and his friends along on a trip to her fantastic parallel universe. Everything there is just as it is back home, only way better! Even school is a dream! Breakfast in the garden with as many chocolate croissants as you like and attending school is not obligatory! But when Aaron suddenly disappears without a trace, it's clear: something is wrong with grandma's universe...
