Here comes Bulli, the cleverest pony in the world!

- Bulli loves Lina and Lina doesn't like horses...
- Pony tales meet detective stories: Bulli and Lina solve a mystery in every book
- A comical series about a talking pony, by bestselling authors: funny pony books are on trend!
- The alternating narrative perspective makes the books great fun to read
- Less text than in WINSTON (152 pages)
- True friendship and feisty pony fun!

Bulli is far and away the cleverest pony in the world, although unfortunately nobody seems to have realised it yet. But one day Lina turns up on the neighbouring farm. Bulli is overjoyed, and determined to make friends with her. There's just one problem: Lina thinks ponies are stupid. If there's one thing she can't stand – one thing she finds positively vile – it's horses. They give her the heebie jeebies. Bulli, on the other hand, even though he is very well looked after, feels there is one thing missing from his life. He wants a human of his own: his own little girl. And so, from the moment Bulli sets eyes on Lina in the stables, he has only one mission in life: to get Lina to be his owner!

What happens in Vol. 3:

Bulli and Lina shall join in the big fox hunt. Bulli, as the world's best tournament pony, is not interested at all. And Lina has got better things to do: At uncle Hape's farm they soon will have puppies! The little ones are born just in Bulli's stable. When a weird dog breeder wants to buy the puppies, Bulli and Lina follow their detective instincts and try to do everything to get the deal cancelled – at the very last moment and just in time for the fox hunt ...
