Have you ever heard of a puffarray? A bluetoad or a hammercrab? If not, be curious.

Loads of pictures are waiting to be completed. Just trace some lines on the black surface and suddenly, there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. In this creative scratch book, you can draw funny underwater animals and the black magic pages will turn them into glittering pictures. You can mix everything together in wild disorder and marvel at your crazy artwork anytime thanks to the stand-up display.
