Bustling Christmas magic

As the temperatures slowly drop and the first snowflakes fall from the sky, the anticipation of Christmas grows! But there is still a lot to experience before then: Presents are crafted and wrapped and the children are busy rehearsing for the nativity play. A Christmas tree is chosen and the last Christmas cookies are baked - mmh, how nice it smells! I wonder what else there is to discover during Advent and Christmas season?

- **Perfect for viewing together** during the advent season
- The **ideal gift** for Santa's stocking
