CRAZY FUN WITH CORNELIA FUNKE

How would you feel, going round and round, for ever and ever, inside the circus tent? Bella the lady elephant has had enough! So at the first opportunity, she sets out for town. Tiger the dog has had enough too: a cat has moved into his home! And, to top it all, it wants to take his owner away from him! Naturally, Tiger is not going to put up with that...

- Cornelia Funke in a new presentation!
- Wonderful texts for learning to read
- With lots of colour illustrations
