Love, Humor, and Small and Big Problems in Life

Anna, Polly and Anouk all have very different goals after graduating high school, but this does not harm their friendship. Quite the opposite: they have to stick together more tightly than ever. As there are a lot of things about life as an adult that no one has prepared them for – not to mention their love lives! All these experiences are shared on a joint Instagram account. In this humorous and touching New Adult series, Kyra Groh shows that it's perfectly okay not to have a plan for life yet.

Two weeks in a luxury resort in Portugal - the perfect gift for graduation. Not for Anna, who would rather spend the summer at home with her two best friends. But because she always puts her own wishes on hold, she is now in the Algarve, lost between models and photographers. After escaping to a café, she befriends Helena, who invites her to help out on her dog farm. There, Anna meets the guy again who she bumped into at Frankfurt airport - not a good memory for both of them, as they instantly disliked each other. Fynn is not Anna's type at all and sees nothing more in her than a Fashion Doll. So, definitely not a dreamboat she could be falling for (she thinks) ...

- True-to-life stories for readers aged 14 and up

Kyra Groh was born in Seligenstadt am Main in 1990, but has lived in her adopted home of Frankfurt for over ten years now. She writes stories straight from life – always with humor, depth and authentic characters. When she is not working on her next book, she spends time with her boyfriend and their young son, drinking cappuccino, hanging out at concerts or listening to music and audiobooks.
