Who's the Toughest in Kicker Class?

Tobi loves football. Just like the rest of his class. During the break, they have the toughest matches with the other class. But now it's time to compete for the title of the top kicker class. Tobi and the others in his class train hard - but Tobi also has to go to music lessons. So he has to skip training from time to time. Basti, the new team captain, doesn't think that's okay. It's either 100% football or not at all. Suddenly everyone in the class is against Tobi. And then suddenly the shed where they keep their football equipment is on fire. Who is suspected? That's right, Tobi. Can class peace be restored? And whether Tobi's class will win the title of "The kick-ass football class"?
