Our Blue Nights - We Drink Until the World Awakes

ab 12 years

240 Pages, 12.1 cm x 18.8 cm

ISBN: 978-3-7432-1454-5

Paperback

When the rush is over ...

After Oscar's sixteenth birthday party, nothing is the same anymore. Oscar only remembers too much alcohol, the blue dog and a drinking game that got completely out of hand. And now Oscar has to do community service on a charity farm. So it's no wonder that everyone suddenly shuns him. Everyone except Bella. But Oscar misses his buddy Flinte most of all ... but is he really his friend?

A powerful novel about the risks of teenage drinking ... and also a love story.

In *Our Blue Nights*, Annette Mierswa describes in an engaging way the great role alcohol plays in the lives of many young people and how quickly its consumption becomes an **addiction**. In doing so, she creates a moving story that not only depicts the negative consequences of **alcohol abuse**, but also shows ways out of it and gives courage.

Annette Mierswa

Annette Mierswa war bereits für Film, Theater und Zeitung tätig und arbeitet heute als freie Autorin in Hamburg. Ihre Kinder- und Jugendbücher wurden in mehrere Sprachen übersetzt, mit diversen Preisen ausgezeichnet und "Lola auf der Erbse" auch verfilmt.
