Sometimes You Just Need a Break...

Kalle the kangaroo is usually cheerful and loves playing with others. But he simply feels more comfortable in small groups – and sometimes, he needs a bit of time to himself. That's when he crawls into Mama's pouch to recharge. Unfortunately, the grown-ups around him think Kalle is just being shy or timid. But when a young badger suddenly needs help, Kalle steps up and bravely speaks to the adults. He's not afraid at all – and after all the excitement, needing a break is perfectly normal! With warmth and sensitivity, this picture book shows what introversion really means – and reminds young readers that taking time for yourself is absolutely okay.

- A sensitive Introduction to the complex Topic of Introversion for the whole Family
