IT'S FINE TO BE A LITTLE DIFFERENT!

- strong themes: being different and tolerance
- cheerful illustrations
- merry rhymes for reciting together

All pigs love playing in muck but the little piglet doesn't like getting dirty. All mice hide from cats, but tiny Millie mouse is really brave and ventures outside her mouse house all by herself. All dogs like barking, but little puppy Lou would rather just look on. While every duck on the pond likes to waddle, duckling Pit prefers playing with frogs! These little creatures are all different, but there's nothing wrong about that!
