The Little Garden Gang for Rescue!

A story about renewing natural resources and about the nice feeling we get when we help each other!

Pete Rabbit, Max Badger and Mia Titmouse are enjoying the sunshine, when suddenly a letter drops out of the sky. It's a plea for help from the little squirrel; the tree that he has built his dray in has disappeared and the trees in his little wood have nearly all been chopped down. Naturally, the garden gang rushes to help the squirrel and plant some new trees!

- Teaches modern values: slow living, social engagement, sustainability, peaceful coexistence and tolerance
