It is the year 1492, and while Christopher Columbus is preparing for his adventurous voyage to the west, there are mysterious things happening in the harbour of Palos. Elena, the daughter of a wealthy merchant, is abducted by escaped prisoners. A race against time begins for her brother Juan and his friend Pedro... Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
