Mice under the hood or a damaged trailer in the beginning of the holidays? Here in the garage we solve all problems and repair everything!

Each title in the Picture Mouse series contains four short stories about the adventures of a loveable character or an exciting place. In the text all the nouns are replaced with small pictures, which children of 5 and up will be able to recognize and name while they are being read the story. Learning to read with pictures becomes a truly exciting game!
