The setting is Eisenach in 1522: Lukas's uncle has been charged with counterfeiting and is now facing a severe punishment. Lukas does everything in his power to prevent his uncle's arrest and, together with his friends, goes in search of the real money forgers. Their suspicions fall on the mysterious stranger who is being held captive at the Wartburg Castle, but they find the true culprits in a completely different place.

### **Renée Holler**
