Paperback

Let's get creative!

- Original colouring and crafting concept by crafting expert Norbert Pautner
- With **simple instructions** and answer page
- **Colourful illustrations** and extra thick outlines

How to use the crafting books:

First, tear off the perforated fold-out page and colour in the pictures that match the double-page scene. Difficult bits are already coloured in to make things easier.

Then cut out the pictures along the extra-thick outlines and stick them onto the scene. Children can check the finished pictures on the answer page if they need help.

Colour, cut and stick – that's all there is to it!
