Small People with Big Feelings

10 reassuring animal stories show what can help when children need **comfort and attention** in very different situations. Sadness, anger, despair and other **difficult feelings disappear in a flash!**

Henri the rabbit is distraught! Because he has one short and one long ear, he is laughed at in kindergarten.

Luckily, Grandpa and his friends are there for him. Since her best friend Lina has moved away, Mia Mouse misses her terribly.

Can Max the hedgehog comfort her? And what can help Elli the squirrel when she can't play with the other animal children because of her injured paw?

An exciting day at daycare, a fight with the little brother, a bruised knee, a lost stuffed animal ... every family is familiar with situations in which children are overwhelmed by their everyday lives. Reading together creates closeness and places of respite - time to cuddle up, discuss the day's experiences, relax and calm down.

- **With practical tips for experienced and inexperienced readers**
- **Supports families in coping better with challenging everyday situations**
- **Teaches children how to deal well with emotions**
