Here Barks the Police!

Fire alarm at Schiller School! Pepper and his human, Paul, happen to be at the fire station and head straight to the scene. When they arrive, flames roar out of the chemistry lab. What happened? There have been a series of fires in the area recently. Could this be arson? Why is a group of teenagers acting so nervous? Pepper's instincts are on high alert. He's determined to uncover the identity of the firestarter. After all, he's the best police dog there is!

- A new thrilling case with star dog Pepper
