

Sibylle Mottl-Link

There's Lots Going on Inside my Body!

ab 4 years

14 Pages, 240 x 265 cm

ISBN: 978-3-7855-8156-8

Hardcover

What's going on inside my body?

- An action-packed journey through the body
- Written by a doctor and a children's author
- Lively, entertaining illustrations by Frédéric Bertrand
- Lots of liftable flaps for learning and discovery

How does a wound heal? How does breathing work? What happens to the food in my tummy?

Six double page spreads take readers on an exciting journey of discovery through the human body, showing how the different parts of the body work. Topics such as digestion, breathing and sore throats are brought to life by detailed, entertaining illustrations. There are also lots of flaps for readers to lift, revealing surprising facts and the answers to children's most important questions.

Dr. med. Sibylle Mottl-Link
