Jojo the little dog is very excited. His friend Isaac has disappeared without leaving a trace. Could he have been nobbled by a horrible dog thief?

Bengt Birck

Bengt Birck was born in 1935 in Tallinn/Estonia and was a freelance artist. He grew up in Stade/Germany and later became a bookseller in Munich. Since 1997, he had mostly been living in Hungary. He was a passionate painter and gardener. He finds his best inspirations during his many walks through the forest, especially about his courageous little dog, Jojo. Bengt Birck passed away November 2015.
