Detective work for children in Years 2 and 3 – “homework” that doesn’t feel like work!

Eight exciting cases for master detectives! These fiendish whodunnits help children consolidate their learning in a fun and playful way. Children can check their answers to the puzzles on the solution pages, which are printed in mirror writing. The stories point the way to logical thinking and inspire to read on. Through these stories, young readers become crime investigators themselves. They solve mathematical puzzles while reading an exciting detective story. These exercise books are designed for school children to inspire creativity, improve concentration and develop the ability of reasoning - with numerous exercises on arithmetic's that will help children in a fun way to train their mathematical abilities.
