Fritzi is different from other girls: she can cast spells. Only Fritzi's best friend Luna knows her secret. Together the two of them have lots of hilarious magical adventures – because Fritzi's spells are always going wrong. When she gets hiccups, she conjures up rice instead of ice or a unicorn instead of popcorn. And that's not the only thing that's special about Fritzi...

What happens in Volume 3:

It's Luna's birthday! Fritzi has a special gift for Luna – a mysterious crystal ball. Supposedly, it can even show the future. But suddenly, an excited mouse wearing glasses encounters them. Has it been bewitched? The magical ball leads to the mean witch Priska and in the last second, Fritzi can stop Priska to enchant every party guest into a mouse!
