Daka and Sylvania are dead sure about this: since they are half vampires, there's no super talent that can out-stink them, and certainly not an old clove of garlic! However, the town is boiling hot this summer and suddenly the sisters find they can't fly any more, or even flop. Lickerty-split! At that very moment they fall into a beastly trap set by a vampire hunting duo. Can Ludo and Helen help them out of this fix?

The Vampire Sisters are simply unbeatable, not just in the air, but on the ground too, when it comes to funny situations and sparkly repartee. This ninth volume by Franziska Gehm comes with an extra bite, since super powers are not everything in life – though super friends that one can land on at any time by day or night certainly are!
