**The third adventure story of the adorable series about a mermaid with a great heart's desire to ride!**

*Under the sea, between starfishes and corals, lives Marisa Mermaid in an old sunken ship.*

*When she and her dolphin friend Nero see a girl riding on the beach, Marisa is head over heels. From now on, the mermaid's deepest wish is to ride a horse someday and to see how the world looks like beyond the ocean.*

- Magic elements meet realistic topics
- Arielle in the world of riding and horses
- A feel-good book, to read aloud and read by yourself!

The big dolphin exam will soon take place at the mermaid school. It's clear that Marisa and her dolphin Nero will compete together, after all, they are best friends. A lot is going on under water and on shore: The annual horse show is also coming up on land at pony farm Rosenbucht. If Marisa's friend Ella fails the course, she will have to leave the pony farm forever. Marisa of course keeps her mermaid promise and encourages her friend with a lot of patience and a few tricks. And Marisa has to master the dolphin test in the ocean. Then, she and the dolphin are allowed to swim out into the vastness of the ocean!
