Hugo's new teacher appears pretty strange to him! Dr. Torres has a very weird accent and doesn't look like a history teacher at all – more like a well-conditioned secret agent ... But what kind of mission does he go after in Hugo's school? Together with his good friend Nico Hugo tries to find out what the mysterious teacher has to conceal. As if this wasn't enough, Hugo has to take extra lessons in order to get better grades. And guess who turns out to be his private tutor: Laura Berg! The most annoying and horrible girl at school! Though there is just one solution to this disaster: Hugo has to get rid of her immediately!
